

Holiday Swags

\$25 Each

Cooper Landing School Fundraiser

Support Cooper Landing School Students by purchasing a Holiday Swag. The suspended spruce boughs are twined together then adorned with handmade bows, spruce cones, and ornaments. Swags are made entirely by students and staff. All funds raised support the student activity fund.

History of the Swag

The swag fundraiser was started by Joyce Koppert, former teacher at Cooper Landing School. She thought of the idea when she was living in Oregon and was helping her niece and nephew come up with ideas for Christmas presents. The swag shape was chosen because it was easier to make compared to a circular wreath. Since then, it has become our school's tradition. Every November, we dedicated a day to assembling the swags.

How to Order

Call or email Cooper Landing School to place your order. Prices are \$25 each. You do not need to pre-pay. Once the swags are ready, we will notify you by email or phone. Thank you for your generous support of Cooper Landing School!
