About Us

We are a Feisty Roadside Tent in our 4th Year of business! We do events, we cater and we can design items just for you!

Year-round residents, we love Cooper Landing! The turquoise waters, lush hiking trails, bountiful fisheries...most importantly we love this tightknit community. We are proud to call this our home and to be raising our *Buckaroo* here.

Late night hikers, Early Morning Dancers, Hungry Campers – Fear Not! We give a Crepe about you <3
